SHIEC ASSOCIATE MEMBER PROGRAM OVERVIEW AND APPLICATION

SHIEC Associate Members are organizations that have an ongoing need to work with community, regional and state HIEs, but they are not multi-stakeholder HIEs themselves. Associate Members join SHIEC to collaborate with SHIEC's HIE members, associate members and its Strategic Business & Technology community. This collaboration increases the value they deliver to their own stakeholders by sharing best practices and industry advocacy efforts.

SHIEC is actively looking to highlight the amazing work of HIEs throughout the country, and our growing numbers support our collective claim that we are one of the most important voices in nationwide health data sharing and stewardship.

Associate Member Eligibility Requirements

- ✓ Organizational mission is supportive of the mission of SHIEC HIE members
- ✓ Legal business or governmental entity that has an HIE regulatory, coordination, or standards development role, or the organization is a single entity (private) HIE
- ✓ Website describing key stakeholders, mission, governance and services provided
- ✓ Be current on annual subscription fees

Benefits of Becoming an Associate Member

Associate Members receive a variety of benefits from participating in SHIEC. Benefits include:

Opportunities to share best practices and lessons learned with your peers throughout the country

Access to a vendor community focused on serving the needs of HIEs

Participation in a variety of committees and projects where HIEs and associate members work together to achieve nationwide interoperability

Opportunities to promote broader awareness and understanding of your successes within your communities through SHIEC newsletters and communications

Participation in speaking engagements and events throughout the year, including at the SHIEC Annual Conference

Membership Fees

Your organization's SHIEC Associate Membership begins when the Board votes to approve your application. You may elect a one-year membership (\$6,000) or two years (\$11,000), with payment due when you are notified that your application has been accepted.

Member benefits begin with receipt of payment. Subsequent dues each year are billed approximately 60 days before your annual renewal date. Membership may be cancelled at any time by providing written notice to SHIEC, but dues will not be refunded.

ASSOCIATE MEMBER APPLICATION

To apply for SHIEC membership, please email your completed application to Kelly Hoover Thompson, Chief Executive Officer, at kelly.thompson@strategichie.com. You may also fill out the form online at <http://strategichie.com/become-a-member>.

Application Instructions:

1. Complete this application by including your senior leadership contact information and your website URL.
2. Include a brief description of your organization. This information will be circulated to the SHIEC Board.
3. The SHIEC Board will review your application and determine your eligibility to join.
4. You will be notified of the Board's decision or contacted for additional information if necessary.
