The 2nd Annual SHIEC Achievement Awards recognize outstanding achievement by health information exchange (HIE) organizations.

The 2019 awards will be presented at the SHIEC Annual Conference being held August 18 – 21, 2019 at the Gaylord National Resort and Convention Center National Harbor, Maryland.

To nominate an HIE organization, team or individual, please complete both sides of this form and submit via email—along with the required support materials—to Sharon Muscatell, Director, Health and Member Services, at Sharon.Muscatell@strategichie.com. For questions, contact Sharon (877) 697-4432, ext 701. Nomination deadline June 14, 2019.

Nomination Criteria/Eligibility:

- Only SHIEC HIE members are eligible for nomination. Nominations may be organizational level, team level or individual level.
- A separate Nomination Form must be submitted for each nomination.
- Nomination Form must be complete, including two Letters of Recommendation, to be eligible for consideration. No partial nomination applications will be accepted.
- Self-nominations are acceptable.
- Nominations will be evaluated for relevance, effectiveness, impact, sustainability and return of investment.

Nomination Category (select one):

• **Innovation**: Recognizes outstanding achievement in a program, service or operation that advances health information technology or health information exchange.

• **Community Partnership**: Recognizes outstanding achievement in responding to a community crisis, meeting a community need or facilitating community action or collaboration including Social Determinants of Health.

• **Government Relations and Advocacy**: Recognizes outstanding achievement in public policy, government collaboration or promotion and advancement of issues in support of health information technology or health information exchange.

• **Quality and Quality Data**: Recognizes outstanding achievement in an HIE operation or program that advances or assists in quality measurement, quality reporting, quality data and/or quality improvement.

• **Leadership**: Recognizes leadership in advancing the HIE industry nationally or in a particular region or regions.

Support Materials (submit with completed nomination form):

• **Description of HIE and its Background**: Provide a brief description of the nominated HIE organization, team or individual and the background to where the achievement occurred. [100 words]

• **Summary of the Achievement**: Provide a brief summary of the achievement, including the time period or chronology of the achievement, the impact and/or benefit of the achievement and the specific activity involved in the achievement. [500 words]

• **Letters of Recommendation**: Provide two letters of recommendation supporting the nomination from professionals who are not employees of the nominated HIE organization.
